Why Register?

Making the right health care decisions is so important. These decisions affect the health of you and your family, and they impact your finances.

My Health Toolkit® has the tools and information you need to make those decisions.

- Manage your benefits
- Research and compare your health care options
- Manage your health care financial accounts
- Improve your wellness

Be Sure Your Family Registers!

Spouses and dependents ages 16 years and older can register their own accounts.

My Health Toolkit Mobile Website

The My Health Toolkit mobile website offers on-the-go members a myriad of features designed for smaller smartphone screens. When you want to access the mobile site, simply navigate to MyHealthToolkitKC.com on your smartphone and:

- Find the nearest doctor, urgent-care center or hospital with a GPS-enabled locator.
- Access claims and benefit information.
- View your financial account information
- View your ID card information.

To use the mobile site, you must create a My Health Toolkit profile using your computer (not your phone). If you already have a profile created, you can begin using the mobile site now by scanning this code with your smartphone to be taken to My Health Toolkit mobile.

When visiting your pharmacy, your pharmacist will need this information:

Member ID card number: three alpha characters followed by twelve additional numbers
 RXBIN: 004336
 RXPCN: ADV
 RXGRP: SCB

If you have any pharmacy related questions, please call 888-963-7290.
